

## Environmental Policy

PSL Print Management Ltd recognises that the work we carry out will have an impact the environment.

Through careful planning and on-site management and supervision we believe we can ensure the impact on the environment is kept to an absolute minimum.

### **Policy Principles**

The company is committed to applying the following principles to all our site activities:

- Establishing clearly identified objectives and targets that address the environmental issues relevant to the company's operations to ensure continual improvement in environmental performance.
- Complying with all relevant environmental legal requirements and any other compliance obligations we may identify
- Protecting the Environment
- Preventing pollution and ensuring that we recycle our waste and materials wherever reasonably practical.
- Ensuring environmental issues are considered when planning and executing projects to minimise adverse impacts and improve environmental performance.
- Responding to valid concerns of our neighbours, and those who we affect during our projects.
- Establishing and maintaining effective management systems to control identified risks.
- Providing support, information and training to employees with respect to environmental matters.
- Being prepared for environmental incidents or emergencies.
- Monitoring, auditing, reviewing reporting, and continually improving our environmental management system and our environmental performance.
- Maintaining our Gold EcoVadis scorecard.
- Energy Policy in place.
- Water Policy in place.
- Carbon Reduction Plan in place.

Where practicable ensure our suppliers have a sustainable approach, good ethical best practices where practicable.
